THE COLUMBIA WINS.

NEW PORT (R. I.), July 29.—The Columbia today defeated the Constitution, boat for boat, in a splendid race by two minutes and fifty-four seconds, and won the \$1000 cup presented by John Jacob Astor. Her victory was decisive and convincing. The behavior of the Constitution on the other hand, was disappointing in the extreme and this evening Mr. Duncan announced that his boat would not take part in further races until her rig had been altered. He declared that the Constitution is not doing herself justice; that she is not going well, and that there is no use in racing her further until she is put in proper shape.

BATTLESHIP AGROUND.

HONG KONG, July 21.—It is reported that the new British battleship Glory, flagship of the new China squadron, is ashore somewhere between here and Shanghai. The warships Eclipse, Daphne and Pigmy have left this port suddenly. No explanation is given of their departure.

THE ALAMEDA.

SAN FRANCISCO, July 28.—Within a week the Oceanic Company's steamer Alameda, now at the Risdon Iron Works undergoing repairs, will be ready for business, but it is to go into commission again until September 1st. At that time the Alameda will take the place of the Mariposa on the Honolulu route, and the Mariposa will go to the Risdon Iron Works for new boilers and to have her engines changed from compound to the triple-expansion type. The same change has been made in the Alameda, which will be able to make sixteen knots an hour. Both the Alameda and Mariposa are looked upon in steamship circles as particularly good vessels, and with more modern engines should be able to add to their reputation.

Thomas Smith, the purser of the Alameda, who has been on a visit to Ireland, has returned to this city.

SIAMROCK II SAILS.

GOURCOCK, July 27.—The Shamrock II, accompanied by the Erin, sailed at 10:30 o'clock this morning for New York. Great enthusiasm was displayed as the challenger departed. Captain Sycamore desired to go out under canvas, and he was favored with a light easterly wind, sufficient to keep the flags streaming in the direction the yacht was taking. The challenger cut a strange figure with her stunted spars and scanty canvas.

WILL RACE TO HONOLULU.

SAN FRANCISCO, July 28.—The bark Kailani and Diamond Head and the schooner Irene went to sea in a bunch yesterday. The two former are going to race to Honolulu.

MAINE IS LAUNCHED.

PHILADELPHIA, July 27.—The battleship Maine, designed to be bigger, stronger and faster than her namesake whose shapeless mass still lies in the harbor of Havana, was successfully launched from the yards of the Cramp Ship and Engine Building Company today.

MENDING THE CABLE.

The telephone cable burned opposite Hall & Son's store is being "pieced." This is a very delicate job. The company happened to have on hand a part of a cable of the same size, and this is being used. Each of the 200 wires has to be connected with its particular line and there the difficulty comes in. When all are connected the cable will be soldered and will then be ready for business again.

CHILDREN START FIRE.

A fire started in a house back of Goncalves' photograph gallery on Beretania street yesterday afternoon, but was put out without an alarm being sent in. Two small children left alone in the place set fire to a mosquito netting. The flames spread to the bed and for a little while matters looked serious. Neighbors arrived in time, however, and except for the loss of the bed and the smoking of the walls of the room no damage was done.

The children are those of the store-keeper on King near Bethel who killed himself and wife at the Queen hotel about a year ago. The house is occupied by the children's grand parents.

A GOOD THING.

There's one good thing when they feel dry. That business men cannot pass by. For far and wide it's fame you hear, they stop to drink of "Rainier" beer On draught or in bottle at Criterion.

Office of CARROLL WHITAKER, Attorney, Hilo, Hawaii.

Hilo, Hawaii, June 7, 1901.  
Dear S' : In my innocence I purchased here in Hilo a jar of your PIN-MONEY PICKLES (put up by Mrs. E. G. Kidd, Richmond, Va.) It brought me great trouble, and one of three things must occur:

1. You must stop making them; or
2. I must get them at less expense; or
3. I'm a ruined man.

Since my first venture I've had many "jars." My family from early morning cry "Pickles;" neighbors ring the door-bell and shout "Pickles;" relatives visit me in expectation of "Pickles." Your pickles are my Nemesis. Please, Dear Sirs, quote them by the Keg, Barrel, Hogshead, Ton or Shipload, and "preserve" me.

Yours very truly,  
CARROLL WHITAKER.
